D. Your Rights & Choices:

The CCPA provides eligible California residents with specific rights with respect to our collection, retention, and use of Personal Information.

(a) Right to Know About Personal Information Collected, Disclosed, or Sold

You have the right to request that we provide certain information to you about our collection and use of your Personal Information over the past twelve (12) months. Specifically, you have the right to request disclosure of the categories of Personal Information and specific pieces of Personal Information we have collected about you over the last 12 months. Upon the submission of a verifiable consumer request (see Exercising your California Privacy Rights, below), we will disclose to you:

- the categories of Personal Information we collected about you;
- the categories of sources from which Personal Information was collected;
- the business or commercial purpose for collecting Personal Information;
- the business or commercial purpose for disclosing or selling Personal Information; and
- the categories of third parties with whom we sold or disclosed Personal Information for a business purpose.

We will also provide the specific pieces of Personal Information we collected about you, subject to certain exceptions under applicable law, if you also request access to such information.

We do not provide these access and data portability rights for B2B personal information.

(b) Right to Request Deletion of Personal Information

You also have the right to request that we delete Personal Information that we have collected and maintain about you, subject to certain exceptions. Once we receive and confirm your verifiable consumer request, we will conduct a reasonable search of our records in order to locate any Personal Information we have collected about you that is eligible for deletion, and delete such Personal

Information. To the extent we have shared any Personal Information collected about you with service providers that is eligible for deletion, we will direct those service providers to delete that Personal Information as well. For the sake of clarity, however, we may not be able to comply entirely with your request to delete all of your Personal Information as set forth under the CCPA. Specifically, we are not required to delete any Personal Information we have collected about you that is necessary for us and our service provider(s) to:

- Complete the transaction for which the Personal Information was collected, fulfill the terms of a written warranty or product recall conducted in accordance with federal law, provide a good or service requested by you, or reasonably anticipated within the context of our ongoing business relationship with you, or otherwise perform a contract with you.
- Detect security incidents, protect against malicious, deceptive, fraudulent, or illegal activity; or prosecute those responsible for that activity.
- Debug to identify and repair errors that impair existing intended functionality.
- Exercise free speech, ensure the right of another consumer to exercise his or her right of free speech, or exercise another right provided for by law.
- Comply with the California Electronic Communications Privacy Act pursuant to Chapter 3.6 (commencing with Section 1546) of Title 12 of Part 2 of the Penal Code.
- Enable solely internal uses that are reasonably aligned with your expectations based on your relationship with us.
- Comply with a legal obligation, such as retaining records for a period of time as set out in local, state, or federal laws.
- Otherwise use your personal information, internally, in a lawful manner that is compatible with the context in which you provided your information.

Following a deletion request, any Personal Information about you that was not deleted from our systems due to the above exceptions will only be used for the purposes provided for by the applicable exceptions. Thus, all Personal Information about you that is not subject to a deletion exception will either be (1) permanently deleted on our existing systems (with the exception of archived or back-up systems maintained for emergency disaster recovery and business continuity purposes); (2) de-identified; or (3) aggregated so as to not be personal to you.

We do not provide these access and data portability rights for B2B personal information.

(e) Exercising Your California Privacy Rights

To exercise the access, data portability, and deletion rights described above, please submit a verifiable consumer request to us by either:

- Emailing us at compliance@woodlinepartners.com
- Calling us at 833-639-0127

Requests to exercise your rights under the CCPA require verification of your identity, and may be made only by you, your parent or guardian (if you are under 18 years of age), a person to whom you have given power of attorney pursuant to California Probate Code sections 4000 to 4465, or an authorized agent that is registered with the California Secretary of State. If a parent or guardian is submitting a request on behalf of a minor, the parent or guardian must submit proof that they are the parent or guardian of the subject consumer, and must verify the consumer's identity (e.g., provide a notarized letter). If someone with power of attorney is making a request on behalf of a consumer, they must verify the individual consumer's identity and submit documentation establishing the power of attorney. If an authorized agent is submitting a request on behalf of a consumer, they must verify the individual consumer's identity, provide written permission from the consumer to submit the request on the consumer's behalf, and submit documentation establishing registration with the Secretary of State. If we cannot verify that the requestor is authorized by the consumer to act on such consumer's behalf, we are not obligated to provide information or respond to the request. If you have any questions about making a request on behalf of another consumer, please email us at compliance@woodlinepartners.com.

Your verifiable consumer request must provide sufficient information that allows us to reasonably verify that you are the person about whom we collected Personal Information or that you are an authorized representative of such person. We will not respond to your request or provide you with Personal Information if we cannot verify your identity or authority to make the request and confirm the Personal Information relates to you. While we may ask for Personal Information to verify the requestor or consumer's identity when making a request, we will only use that Personal Information provided in a verifiable consumer request to verify the requestor's identity or authority to make the request. Making a verifiable consumer request does not require you to create an account with us. Additionally, you may only make a verifiable consumer request for access twice within a 12-month period.

(f) Response Timing and Format

We endeavor to respond to a verifiable consumer request within forty-five (45) calendar days of its receipt. If we require more time (up to 90 days), we will inform you of the reason and extension period in writing. Within ten (10) business days of receiving the request, we will confirm receipt and provide information about our verification and processing of the request. We will maintain records of consumer

requests made pursuant to the CCPA as well as our response to said requests for a period of at least twenty-four (24) months.

Any disclosures we provide will only cover the 12-month period preceding the verifiable consumer request's receipt. If you have an account with us, we may require you to take delivery of our written response through that account. If you do not have an account with us, we will deliver our written response electronically, though you may alternatively choose to receive delivery by mail. The response will also explain the reasons we cannot comply with a request, if applicable. Requests for the specific pieces of information that we have collected about you will be sent in a portable, readily useable format that you may transmit to another entity without hindrance.

We do not charge a fee to process or respond to your verifiable consumer request unless it is excessive, repetitive, or manifestly unfounded. If we determine that the request warrants a fee, we will tell you why we made that decision and provide you with a cost estimate before completing your request.

(g) Your Rights Under "Shine the Light"

In addition to your rights under the CCPA, California Civil Code Section 1798.83 permits California residents to request information regarding our disclosure, if any, of their Personal Information to third parties for their direct marketing purposes. To make such a request, please either email us or write to us using our information provided in the "Contact Us" section above.

Non-affiliated third parties are independent from us and if you wish to receive information about your disclosure choices or stop communications from such third parties, you will need to contact those non-affiliated third parties directly.
